I understand that RESDA's course, rules and judging system were invented by Mendocino County sheep ranchers in 1947 and are therefore unique. To compete successfully in RESDA trials, I will take responsibility for learning and applying these unique rules. If I feel a problem has occurred, I will follow the RESDA complaint process and will refrain from questioning the judge.

I will not hold the Circle X Ranch, Todd family, Redwood Empire Sheep Dog Association or its directors, officers or any associated persons responsible for any accident, occurrence, or injury to me, my dog, or my personal belongings while participating in this event. I will accept responsibility for and agree to pay for damages to any livestock or other animals injured or killed by any dog in my care while at this event. I also agree to pay any medical expenses due to any injury to any person that is inflicted by any dogs in my care. I am aware that this is a release of all liability including asserted negligence and is a contract I am signing of my own free will.
